

## Recruitment

If you have business process outsourcing or offshoring experience in sales, marketing, IT, internal audit or accounting in the financial or accounting services delivery then send us your CV.

If you fit our current recruitment requirements, we will contact you and if not we would like to thank you for considering working with us. Should you wish us to retain your CV for future consideration as our recruitment needs change, then please place the words "RETAIN CV" followed by your name in the subject line of your email.
