

Our Services

Offshoring + Quality Assurance = Cost Effective Quality

We offer a range of transaction, compliance and reporting based accounting functions that allow you to outsource all, or just a part, of your accounting activities.

With a Business Process Outsourcing pedigree stretching over 20 years and an impressive global corporate client list, our experience and accounting expertise allows us to offer our clients the unique KS Arcis guarantee of quality.

Of course offshoring is designed to leverage global differences in the cost base of providing an accounting function, but anyone can move to the lowest common cost denominator.

At KS Arcis we seek to add real competitive advantage for our clients by enhancing compliance to relevant legislation, corporate policies, procedures and controls in order to improve the quality of accounting services that can be provided.

Our UK based Transition Management Team ensures smooth and efficient communication from the very start of your outsourcing and offshoring decision. Throughout the life of the contract you only need deal with our UK based staff.

Naturally, we achieve this whilst still delivering the economies of scale that our clients expect from a world class business process outsourcing service.
